Dear Parents/Carers

Returning to Nursery School – Big Nursery

We are so excited to be welcoming those who have chosen to be at home during lockdown back to Nursery. Thank you for keeping in touch with us during this time, and for being so productive in your home learning – we have really enjoyed looking at all the photos you have sent in!

To make the return to Nursery School for children as smooth as possible we would ask that you follow the guidelines below:

- Children who **started Big Nursery in January 2021** and haven't been accessing a place onsite, please begin your induction sessions on **Wednesday 3rd March 2021**. On Wednesday only, please come to the Nursery gate for 9.15am for morning sessions, and 12.55pm for afternoon sessions. Please collect your child at 11.15am for morning sessions, and 2.45pm for afternoon sessions.
- From **Thursday 4th March** onwards, this will be 9.00am for morning children, and 12.40pm for afternoon children. There will be **no extended days** for January starters this week, unless your child has been accessing a place onsite. Children can attend for the full session unless they are finding it difficult to settle, in which case your keyworker will contact you.

If your child has a 30 hour place, they can start their full day from Thursday 4th March if their initial induction session goes well – Mrs Phillips will speak to you on Wednesday.

- For **all children**, we look forward to seeing you at 9.00am on **Monday 8th March** for morning sessions, and 12.40pm for afternoon sessions. All children are able to stay for their extended day this week, if they have settled well and are ready to do this.

As we have explained previously, our COVID-19 Workplace Risk Assessment remains in place and the actions we are taking to mitigate risk are routinely implemented. Our Risk Assessment is available on our website, and please do talk to Nursery staff if you have any questions. **Please note that we continue to require parents/carers to wear face coverings whilst onsite, unless they are medically exempt.**

In line with our Risk Assessment, please do not come to site before the start of your session time, and please make sure you leave the site as soon as you have dropped off your child.

Kind regards

Sharon Kindred
