Dear Parents/Carers

### **Covid-19 Risk Assessment**

At the request of some parents, please see below a reminder of how we are asking all parents/carers to support us to keep all onsite as safe as we can.

- **Please maintain social distancing at all times when dropping off or collecting your child.**
- **Please wear a face covering unless you are medically exempt from doing so.**
- **Please do not arrive to site too early before the start of your child's session, and on collection of your child, please make sure you leave the site quickly.**

Should you be sending another person to drop off or collect your child, please make sure they are aware of the safety measures that are in place.

Have a lovely weekend.

Kind regards

*Sharon Kindred*
