

Stockingford Nursery School

St Paul's Road, Nuneaton, Warwickshire. CV10 8HW

Sharon Kindred B.Ed, MA, NPQH

Headteacher

9th February 2021

Dear Parents/Carers

COVID-19 reminders

Thank you for being vigilant and also adhering to lockdown rules to support us to keep our Nursery School as safe as we possibly can.

We continue to be informed of COVID-19 cases within families of our school community, and individual children are self-isolating when required.

Could we please remind parents/carers:

- If you are accessing a place onsite, please do not send your child to Nursery School if they are at all unwell.
- If you are accessing remote learning currently and either your child or a member of your family/household test positive for COVID-19 please do let us know, either by telephone or email: parents1041@welearn365.com
- Nursery School have a supply of postal COVID-19 testing kits to be used for your **Nursery child only**. Please contact the office if you need a postal test for your child.
- Staff are now able to complete twice weekly lateral flow tests to further identify asymptomatic cases. This may mean that Big Nursery or Little Nursery would have to close should a staff member test positive and need to book a COVID-19 test.

We thank you once again for your support for the Nursery School and hope that you are keeping well and safe.

Kind regards

Sharon Kindred
